

LARGEST STAMP MOSAIC

The following act as a guide to the specific considerations and undertakings, in addition to the general requirements as detailed in the General Rules of the Record Breakers' Pack, for any potential attempt on the above record.

They should be read and understood by all concerned – organisers, participants and witnesses – prior to the event.

Please note that, as detailed in the Agreement Regarding Record Attempts, these guidelines in no way provide any kind of safety advice or can be construed as providing any comfort that the record is free from risk.

GUIDELINES

1. There is no time limit for completing the stamp mosaic.
2. Any size stamp may be used as long as it is officially recognized by the postal service.
3. The mosaic is ultimately based on size, not the number of stamps used, although this must also be documented.
4. Cutting stamps is allowed to suit the needs of the image.
